SMR CABINET ACCESSORIES

Instruments Otoscopes

Diagnostic Otoscope

Part Number S WA25021

Halogen light for true tissue color and consistent, long lasting illumination.

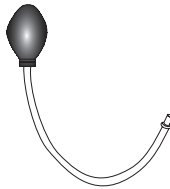

- Wide angle viewing lens for instrumentation under magnification.
- Sealed system for pneumatic otoscopy.
- Fiber optic illumination for cool light.
- 3.5 Volt, complete with four polypropylene specula, sizes 2.5, 3, 4, and 5 mm.

Insufflator Bulb for S WA25021

Part Number S WA21504

For SWA25021 Diagnostic Otoscope

Specula for S WA25021 (4/pk)

Part Number S WA24400

Pneumatic Otoscope

Part Number S WA20200

Halogen light for true tissue color and consistent, long lasting illumination.

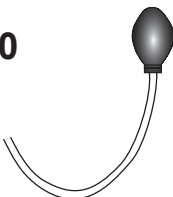

- Rotating lens with ultra-seal for pneumatic otoscopy
- Fiber optic illumination for cool light
- 3.5 Volt, complete with five polypropylene specula, sizes 2, 3, 4, 5, and 9 mm.

Insufflator Bulb for S WA20200

Part Number S WA21501

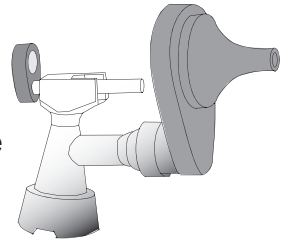

For SWA20200 Pneumatic Otoscope

Operating Otoscope

Part Number S WA21700

Halogen light for true tissue color and consistent, long lasting illumination.

- Open system for convenience during procedures.
- Rotatable lens and speculum for ease of use.
- Fiber optic illumination for cool light.
- 3.5 volt, complete with five polypropylene specula, sizes 2, 3, 4, 5, and 9 mm.

Specula for S WA21700 and S WA20200 (5/pk)

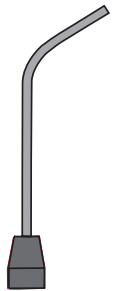

Part Number S WA22100

Transilluminators

All Purpose

Part Number S WA43300

Halogen light for true tissue color and consistent, long lasting illumination.

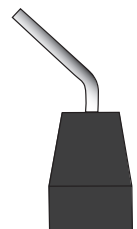

- 3.5 Volt
- Fiber optic illumination for cool light.
- Fully sterilizable with steam, water, gas and solutions.

Finnoff

Part Number S WA41100

Halogen light for true tissue color and consistent, long lasting illumination.

- 3.5 Volt
- Fiber optic illumination for cool light.
- Fully sterilizable with steam, water, gas and solutions.

SMR CABINET ACCESSORIES

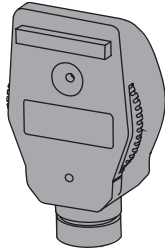

Instruments Otosscopes (continued)

Ophthalmoscope

Part Number S WA11710

Halogen light for true tissue color and consistent, long lasting illumination

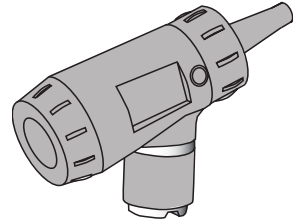

- 3.5 Volt
- Rubber brow rest
- 6 apertures
- 28 focusing lenses

Otoscope MacroView

Part Number S WA23810

- 3.5 Volt
- Twice the field of view and 30% greater magnification than traditional otoscope
- Ability to adjust focus
- Tip grip
- Fiber optic illumination for cool light

Insufflator Bulb for S WA23810

Part Number S WA23804

For SWA230 MacroView Otoscope

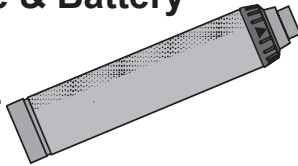

Heine Otoscope Handle & Battery

Part Number S HOTOHNDL

Rechargeable Replacement Battery for SHOTOHNDL

Part Number S HOTOBATT

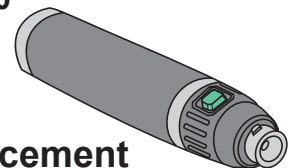

Welch Allyn Otoscope Handle & Lithium Ion Battery

Part Number S WA71910

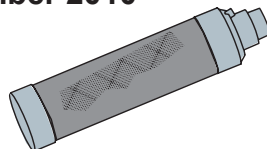

Rechargeable Replacement Battery for S WA71910

Part Number S WA71960

Welch Allyn Otoscope Handle Rechargeable for Cabinets sold prior to September 2010

Part Number S WA71670

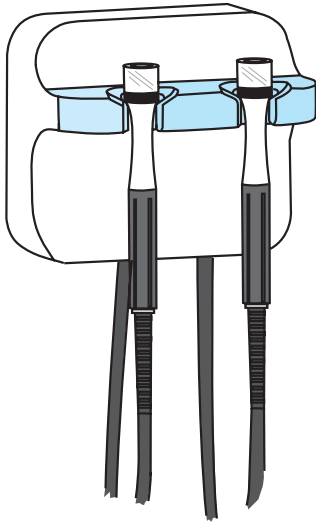

Rechargeable Battery for S WA71670

Part Number S WA72200

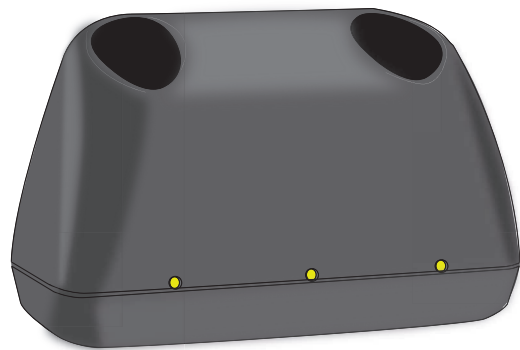

For S WA71670 rechargeable Otoscope Handle

SMR CABINET ACCESSORIES

**Welch Allyn Wall Transformer
with Two Corded Handles
(no otoscope heads)**

Part Number S WA77710

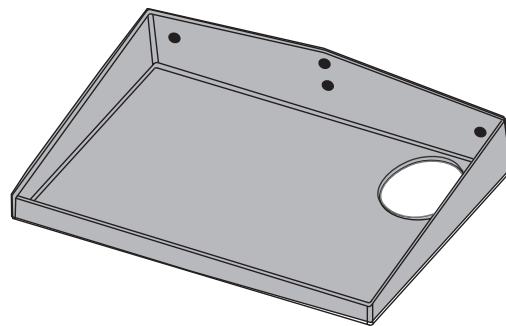

**Welch Allyn Desk Charger
(no otoscope heads)**

Part Number S WA71140

Wall Bracket for the S WA71140

Part Number S WA71420

Otoscope Lamps

Otoscope, 3.5V Lamp

Part Number S WA03100

Replacement Lamp for 3.5V Otoscopes

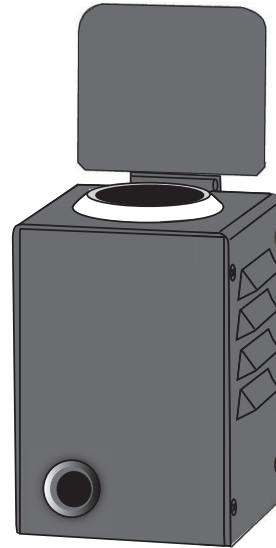

SMR CABINET ACCESSORIES

Mirror Warmer

Hot Bead Warmer

Part Number S 740257

- Modern, space-saving design
- Hinged lid for convenient use
- Rapid warm-up for greater efficiency
- Outside surface remains cool and safe to the touch
- Thermostatically controlled to maintain required temperature.

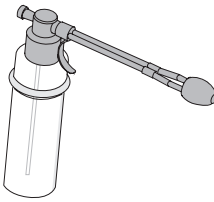

Replacement Beads for Bead Warmer S 740257
Part Number S 1006102

SMR CABINET ACCESSORIES

Glassware

Atomizer with Metal Tip

Standard Part Number S A163
DeVilbiss Part Number S DV163

Quick-change tip for nose and throat. Tip is adjustable for directing spray up and down, even far down the throat. Instant removal of spray tube for sterilization. Use with oil or aqueous solutions. Convenient finger grip.

Nebulizer

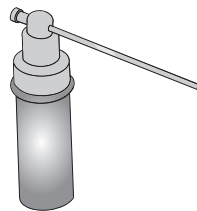

Standard Part Number S A180
DeVilbiss Part Number S DV180

For vaporizing oil or glycerine base solutions. Vented nasal guard restricts development of undesirable pressure.

Powder Blower

Standard Part Number S A175
DeVilbiss Part Number S DV175

For general powder applications in ear, nose, and throat. Diffuses powder evenly.

Atomizer Outlet Tube Part Number S A163OT

Outlet Tube for S A163, S A175, S A180
(6/package)

Part Number S DV150OT

Outlet Tube for S DV163, S DV175, S DV180
(6/package)

Atomizer with Rubber Tip

Standard Part Number S A286
DeVilbiss Part Number S DV286

Hard Rubber Atomizer for spraying solutions which would be affected by metal. Straight flow tip for nose or throat. Amber bottle.

Atomizer Outlet Tube Part Number S A286OT

Outlet Tube for S A286 (6/package)

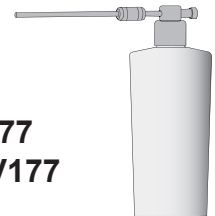

Part Number S DV286OT

Outlet Tube for S DV286 (6/package)

Syringe

Standard Part Number S A177
DeVilbiss Part Number S DV177

Convenient for washing wax out of the ear. Small flexible tube with opening in forward end, permits deep yet painless introduction into the external canal. A small hole in the head of the instrument is used to regulate the flow of solution. Furnished with 7 oz. (207ml) bottle to hold adequate supply of liquid. This syringe has other practical uses, including irrigation of the naso-oro- and hypo-pharynx, and antral lavage.

Syringe Outlet Tube Part Number S A177OT

4-3/4" Glass Outlet Tube for S A177
(6/package)

Part Number S DV177OT

4-3/4" Glass Outlet Tube for S DV177
(6/package)

SMR CABINET ACCESSORIES

Miscellaneous

Q-tip Container, Stainless Steel, Tall Size

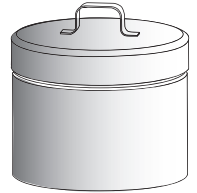

Part Number S 740241

Holds the extra long Q-tips. The Tall dispenser is slightly larger in diameter but fits on the cotton shelf.

Ointment Jar, Stainless Steel, Standard Size Container

Part Number S 3312

Container fits in the cabinet top.

Casters

Part Number S 740245NLP

MAXI cabinet casters, non-locking
push-in stem 3 inch diameter,
set of 4 - replace all

Locking Casters

Part Number S 740245LP

Maxi cabinet casters, locking,
push-in stem 3 inch diameter,
set of 4 - replace all

Casters

Part Number S 740245LT

MAXI cabinet casters, locking
threaded stem, 3 inch diameter,
set of 4

Part Number 018041027

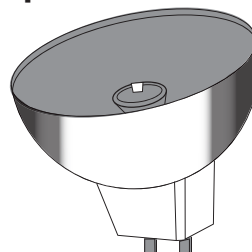

MAXI cabinet caster, locking,
threaded stem,
each

S 793HC Halogen Light Source Bulb

Ultra-High Intensity Lamp

Part Number M 793L3

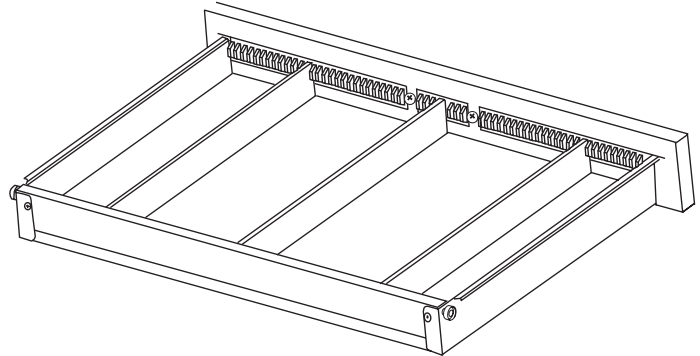

Ultra-high Intensity Lamp, 150W EJA code for
S 793HC series Light Source only, 21V (3/pk)

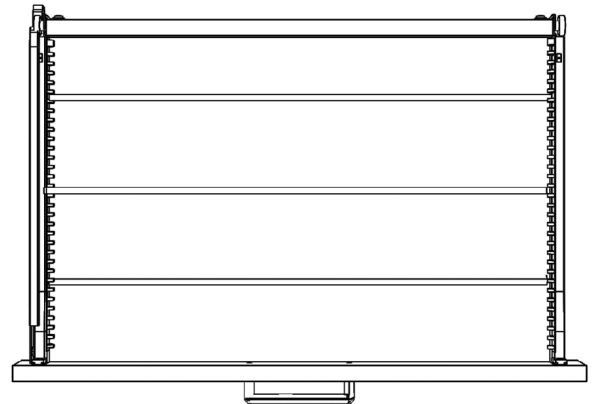

SMR CABINET ACCESSORIES

Miscellaneous

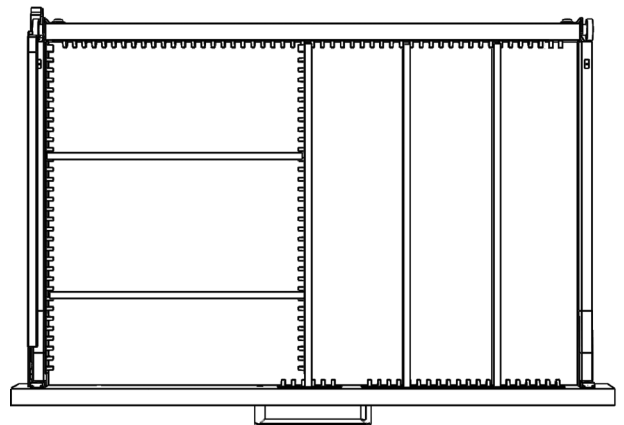

Drawer Divider Kit for One Drawer
Part Number S 74082

Drawer Divider Horizontal Kit for One Drawer
Part Number S 740282H

Drawer Divider Combo Kit for One Drawer
Part Number S 740282COMB

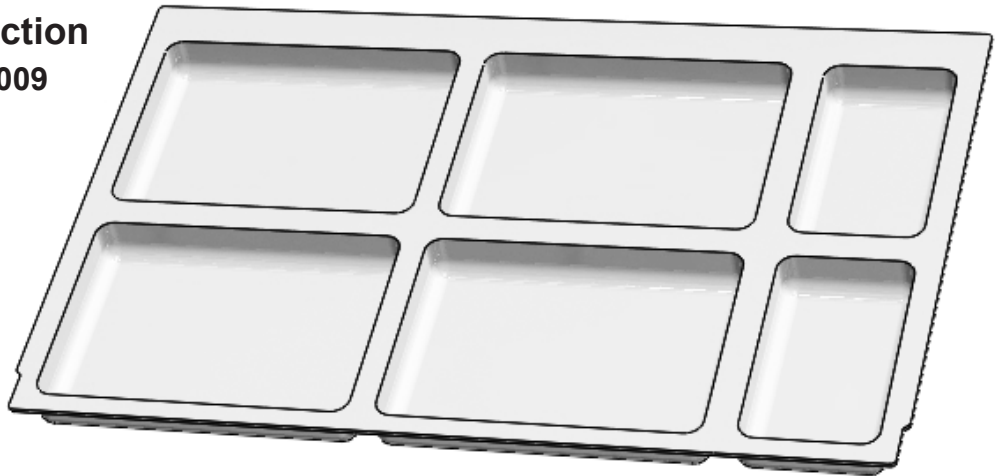

SMR CABINET ACCESSORIES

Miscellaneous

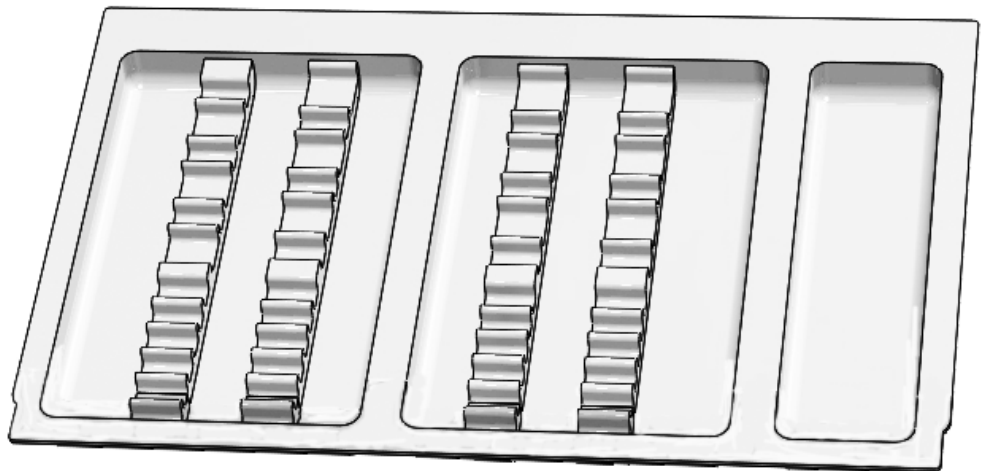

Drawer Insert, 6 Section

Part Number 123-009-009

Drawer Insert, Instrumer

Part Number 123-009-008

Paper Liners

Part Number S 800070

Cushioned paper liners protect your instruments.

White, waffle textured drawer liners act as a buffer

Size 20" x 13", 100/pk

Recommended to be used when not using the 123009008 or 123009009 drawer insert.

SMR CABINET DISPOSABLES

Filters

Filter, Hydrophobic

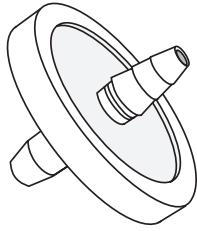

Part Number

S 850020-6 (6pk)

S 850020-12 (12 pk)

S 850020-24 (24 pk)

S 850020-48 (48 pk)

Hydrophobic HEPA filters should be replaced once a month. To best protect your investment, do not allow moisture to contaminate the filter. When filters become damp, damage may occur to the suction pump.

Suction Canisters and Tubing

Canisters

Part Numbers

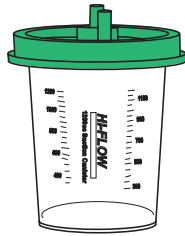

S 600006 (6 pk)

S 600012 (12 pk)

S 600024 (24 pk)

S 600001-48 (48 pk)

Disposable 1200cc Bemis canister comes in packages of 6, 12, or 24. Bemis canisters have a light green lid.

Suction Tubing

Part Number S 400446

This 1/4" inside diameter gray PVC tubing can be purchased in 1 foot increments, and is extra thick to prevent collapsing

Cabinet Pressure Hose Without Cutoff

Part Number 740288

Cabinet Pressure Hose With Cutoff

Part Number 10207011

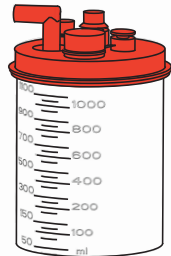

Cabinet Pressure Cutoff Valve

Part Number 105114

Disposable Canister Liner System

Part Number S 740600C

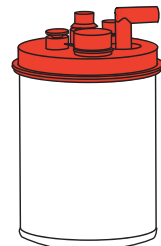

1 canister, 5 Disposable liner
(1 in the canister)

Disposable Canister Liners

50 pack

Part Number S 600050DL

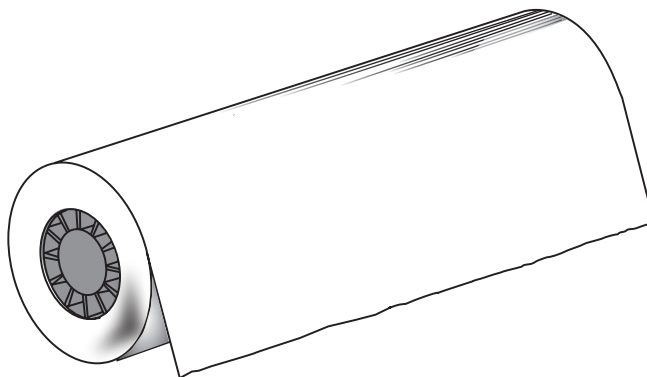

SMR CHAIR ACCESSORIES

Headrest Paper

Part Number S 800286

5 inch fits Pre 1990 Maxi-Chair Headrest
and Straight Back Chair Headrest 12/case

Solarlite™ Bulb

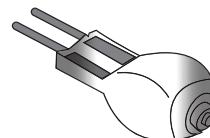

Part Number S 090261L-3

2-prong halogen, 12V, 20 watt (3/pk)

For all versions of SolarLite™ except S 900128
with Serial Number of 4211 or higher

Part Number S 900128L-3

Bulb for S 900128 with Serial Number of 4210
or lower order S 900128L-3

GLOBAL SURGICAL MICROSCOPE ACCESSORIES

Microscope Drapes

Standard Sterile Microscope Drape

Part Number M 1071

Standard sterile microscope drape for Global w/ monocular or stereo observer tubes and documentation system.

41" x 64" (102.50cm x 160cm)- box of 20

Narrow Profile Microscope Drape

Part Number M 1072

Narrow profile microscope drape for Global with monocular observer tube, and/or documentation system. Will not accommodate binocular observer tube, Quadpascope or laser.

41" x 56" (102.50cm x 140cm) Box of 20

Extra Long Microscope Drape

Part Number M 1071XL

Extra long microscope drape for Global with monocular or stereo observer tubes and documentation system. Fits over the microscope optics, arm and most of the floorstand itself.

41" x 105" (102.50cm x 262.50cm) Box of 10

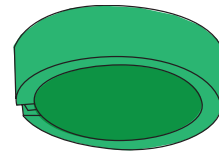

Objective Lens Cover

Clearsight Objective Lens Cover, G Series

Part Number M 1074A

Suitable for use with all objective lenses with exception of the M 1028ML multidocal lens.

Includes 1 Green rubber ring and 6 Lenses per Box

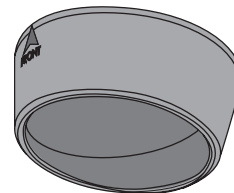

Clearsight Objective Lens Cover

Part Number M A1028CLST-3

Required for M 1028ML Multifocal Lens

Suitable for use with all objective lenses.

Includes 1 gray rubber ring and 3 lenses per box.

Clearsight Objective Lens Only

Part Number M A1028CLST-L10

Clearsight - Lens only for gray rubber ring, 10 pack

Microscope Dust Cover

Dust Cover

Part Number M DCW

Dust Cover for Floor Stands/Wall/Ceiling Mount Systems

GLOBAL SURGICAL MICROSCOPE ACCESSORIES

Microscope Handle Covers

Maneuvering Handle Cover

Part Number M 558C

Sterilizable cover for M 558 maneuvering handle, (1 pair) Use with all microscopes prior to G Series in 2013

Microscope Handle Cover

Part Number M 558GC

Sterilizable cover for "G" series microscope handles (pair)

Objective Lens Handle Cover

Part Number 018-028-027

Sterilizable Handle Cover for Fine Focus Objective Lens Handle, M1028 Series and M A1028 Series (each)

GLOBAL SURGICAL MICROSCOPE ACCESSORIES

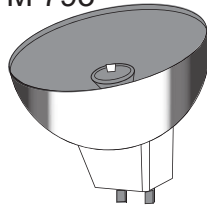

Lamps

M 793 Halogen Light Source

Long-Life Lamp

Part Number M 793LGL3

Long-life Lamp, 150W EKE code for M 793 series Light Source only, 21V (3/pk)

Ultra-High Intensity Lamp

Part Number M 793L3

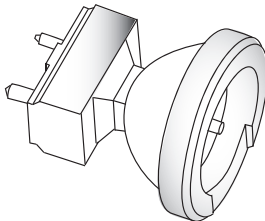

Ultra-high Intensity Lamp, 150W EJA code for S 793HC series Light Source only, 21V (3/pk)

M 797 Novalux™ Light Source

Novalux™ Light Source Bulb

Part Number M 797L

For M 797 Novalux™ Light Source

Novalux™ Medical Grade Light Source Bulb

Part Number M 797ML

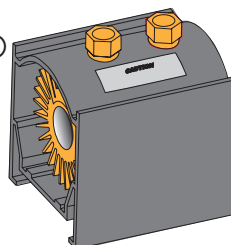

For M 797M Medical Grade Novalux™ Light Source

UltraSource II™ LightSource

UltraSource II™ Lamp and Heatsink

Part Number M 794XAL

Lamp plus Heat sink for Ultrasource II® LightSource Version A Pack of One

Replacement Lamp for M 794

Part Number M 794LO

Lamp only for the original Storz design M 794 Ultrasource® LightSource

GLOBAL SURGICAL MICROSCOPE ACCESSORIES

Cables

Fiberoptic Cable

Part Number M 804GSSV

Fiberoptic Stainless Steel, with vinyl sheath,
Straight Ends, 6mm x 89" Long

Part Number M 805GSSV

Fiberoptic Stainless Steel, with vinyl sheath,
Straight Ends, 6mm x 105" Long

Part Number M 806GSSV

Fiberoptic Stainless Steel, with vinyl sheath,
Straight Ends, 6mm x 123" Long

Part Number M 803GSSV

Fiberoptic Stainless Steel, with vinyl sheath
Straight Ends, 6mm x 141" Long

Part Number M 805F

Fiberoptic Stainless Steel 5mm x 50" Long

Eyecups, Single (Not A Pair)

Long Silicone Eyecup**Part Number M 1039GL**

5/8 inches tall for "G" and "A"
Series Binoculars
Fits M 1010G Eyepiece

**Soft Silicone
Eyecup****Part Number M 1039A**

Soft foldable silicone eyecup, 1 1/8" tall, Old style
Fits M 1010, M 1010A, M 1010X, M 1011, M 1008
Eyepieces

**Short
Silicone Eyecup****Part Number M 1039G**

3/8 inches tall eyecup for
"G" and "A" Series Binoculars
Fits M 1010G Eyepiece

**Low Profile
Silicone Eyecup****Part Number M 1042**

Low profile silicone eyecup, old style
Fits M 1010A, M 1010, M 1010X,
M 1011, M 1008 Eyepieces
