NOTE

Make sure the spare part is mounted according to the assembly instruction. Check all functions.
Repairs and maintenance may only be performed by personnel authorized by Hill-Rom and using original Liko™ spare parts.
For information regarding Service and Maintenance education, contact your Hill-Rom representative.
For contact information please visit our website: www.hill-rom.com / www.liko.com

Product changes

Products are constantly being updated and refined. Hill-Rom reserves the right to change aspects of the products without prior notice. Contact your local Hill-Rom representative for updated information and advice.

Pictures

Pictures may not show all components. The Spare Part Assembly Instruction contains information regarding components included in each spare part.

Accessories

Accessories can be found in the Product Lists and Instruction Guides.

Spare part statement

Liko AB will as manufacturer of Overhead & Mobile Lifts keep spare parts available for 10 years after the last manufacturing date of the product.
Spare parts are available in the spare parts list or in the Service Manual for each model of lift.
Components (manufacturing parts) are not available after last manufacturing date.
